ABOUT 24 HOUR'S 3X

24 HOUR'S 3X mission is to 24 HOUR'S 3X creative wealth in gaming industry by decentralized it through blockchain. Our gaming concept is based on Bitcoin, Blockchain and VR. For the global adoption of blockchains, a secure platform that enables contact between smart contracts and the external world is crucial. Smart contracts will have to rely only on knowledge already within their networks without blockchain oracles, which would considerably restrict their capabilities.

Bitcoin is based on a protocol known as the blockchain, which allows to create, transfer and verify ultra-secure financial data without interference of third parties.
